Pandora's Box

December 10- January 10, 2010

prospectus

DEADLINE: October 5, 2009

CALL FOR ENTRIES:

"Pandora's Box" is an exhibition requiring artists to create work based on the theme of "Pandora's Box". In Greek mythology, Pandora's box is the vessel carried by Pandora that contained evils to be unleashed on mankind — ills, toils and sickness — and finally hope. For this exhibition, the artists are invited to submit their own interpretations of Pandora's Box and how it relates to the times we are living in today. The submitted work must be based on a container form and the maximum dimension of the container can not exceed 12 inches in any one direction. The work inside may stay within or it can explode from the box, peek outside the box, etc - however, it may exceed the 12" but must fit within the gallery's limitations (see "Limitations" on back) How it is made and what it is made of is entirely up to the artists.
